

SITE

Soluciones Innovadoras en Tecnología Empresarial S.A.S.

WHO ARE WE?

Soluciones Innovadoras en Tecnología Empresarial S.A.S is a private enterprise with an experience of more than five years that contributes to the attainment of the business goals of its clients, in the sectors of transportation, healthcare, agriculture, tourism, and governance; by means of information technology (IT) solutions, integrating software and hardware. Highly qualified human capital, mature quality processes, and well-defined core values, have allowed SITE to consolidate at the national and international levels.
