

NEW JUICE CONCENTRATES

NEW JUICE CONCENTRATES

Offering the best taste and colorful product is only possible with a careful fruit selection and a precise process of extraction and concentration to retain biocompounds and taste.

Our juices are made under specific parameters that assure optimal quality avoiding caramelized notes and browning in the product.

Clarified juice concentrates are intended to be used in applications where only the best flavor is accepted.

Our new juices bring you a unique variety which will certainly represent added value to your products.
