

REGIONAL LOGISTICS PROFILE

Supply connected. Cargo in motion.

A regional logistics coordinator connecting Panama and Miami cargo channels with reliable movement into Guyana and the Caribbean.

PANAMA

MIAMI

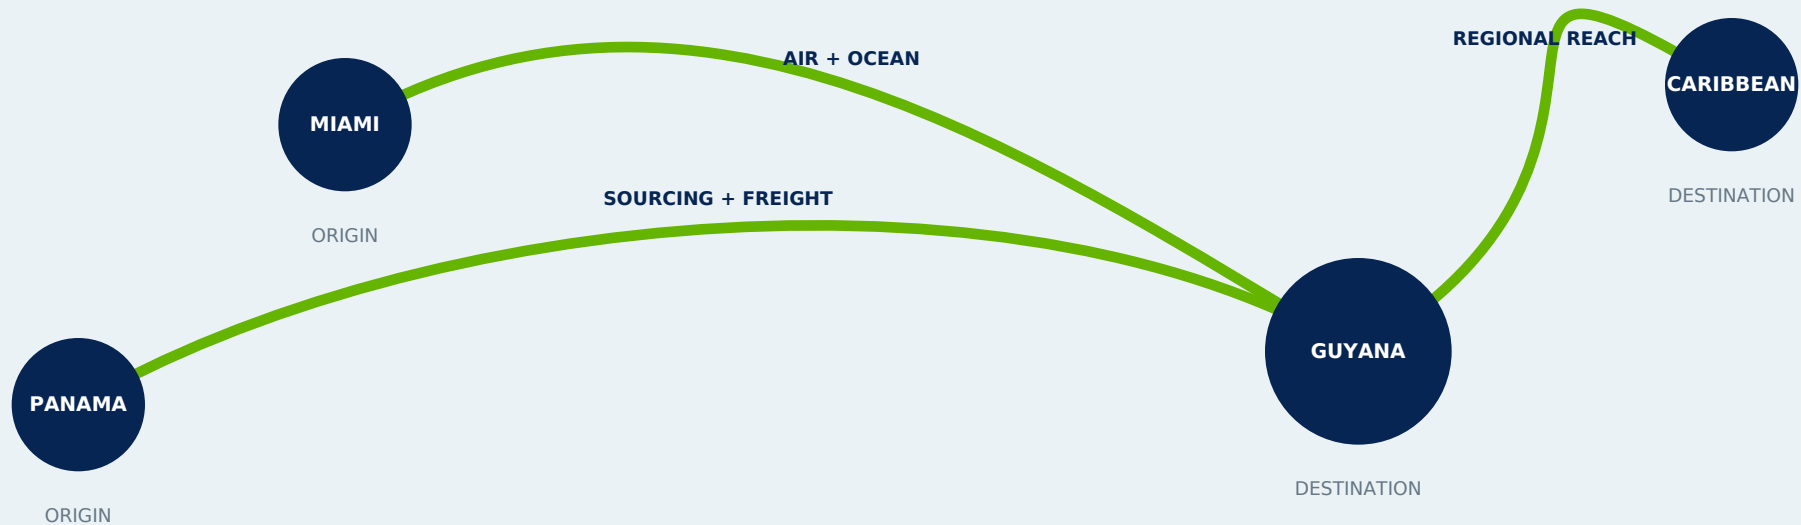

GUYANA

CARIBBEAN

Three gateways. One connected service.

SurLink coordinates sourcing, cargo receiving, freight and destination delivery through one regional operating path.

THE SURLINK DIFFERENCE

A single coordinated path from supplier or warehouse to destination release and delivery.

From requirement to final delivery

AIR CARGO • OCEAN FREIGHT • SOURCING • PROCUREMENT • CONSOLIDATION • DELIVERY

ORIGIN GATEWAY 01

Panama

A sourcing and export gateway for Caribbean buyers.

SUPPLIER SOURCING

Match products, quantities and specifications.

PURCHASING SUPPORT

Coordinate approved purchases where required.

PICKUP & RECEIVING

Collect or receive cargo from selected suppliers.

CONSOLIDATION

Combine multiple supplier orders for export.

EXPORT COORDINATION

Prepare cargo and supporting documentation.

FREIGHT MOVEMENT

Arrange the agreed air or ocean route.

+507 6727-4341 • admin@sg-panama.com

Miami cargo access

A practical route for online purchases, supplier orders, parcels and commercial cargo moving into Guyana.

AIR

For time-sensitive parcels, supplies and commercial shipments.

- Cargo receiving
- Customer identification
- Consolidation where eligible
- Scheduled movement
- Arrival notification

OCEAN

For larger, heavier and less time-sensitive cargo.

- LCL coordination
- Consolidated cargo
- Commercial shipments
- Monthly planning
- Destination release

Schedules, cut-offs, acceptance rules and transit estimates are confirmed at booking.

Guyana: where cargo becomes customer value

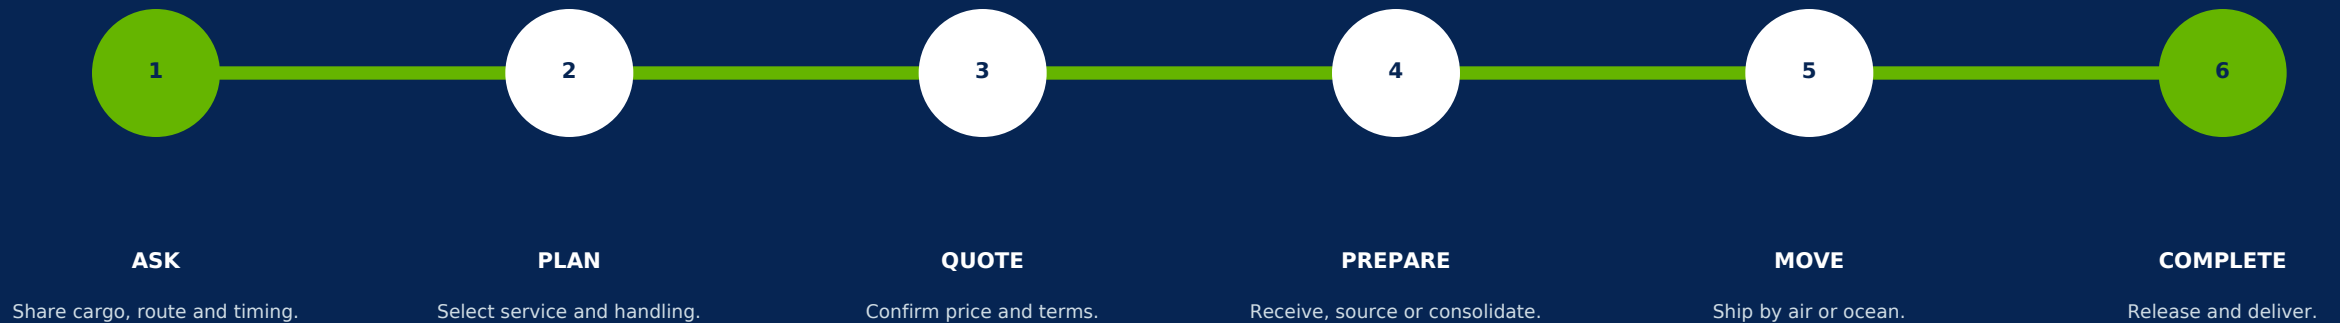

DELIVERY REACH

Georgetown and key Guyana corridors, including arranged service to Regions 3, 4, 5 and 6 and Essequibo options.

Six clear moments from inquiry to completion

A simple operating rhythm keeps responsibilities and decisions visible.

One regional team. One shipment story. Fewer disconnected handoffs.

Built for repeat cargo, procurement and growth

RETAIL & DISTRIBUTION	HOSPITALITY	CONSTRUCTION	CORPORATE & ENERGY
Inventory replenishment	Linen and amenities	Tools and fittings	Operational supplies
Supplier consolidation	Room and kitchen supplies	Equipment and consumables	Time-sensitive cargo
Planned import cycles	Project procurement	Multi-supplier orders	Project support

Regional reach. Hands-on coordination.

- Connected Panama, Miami and Guyana gateways
- Sourcing and procurement support before freight
- B2B and B2C service flexibility
- Local destination execution
- One coordinated regional customer journey

Information. Control. Visibility.

ACCURATE CARGO DATA

Descriptions, values, weights and consignee details.

DOCUMENT READINESS

Invoices, packing data and permits when applicable.

ACCEPTANCE CONTROLS

Restricted, hazardous and special-handling review.

STATUS COMMUNICATION

Milestone updates and exception escalation.

LET'S MOVE WHAT MATTERS

Your cargo. Our regional connection.
