

meisani

Meisani is the *go-to brand* for effective, multitasking & conscious skincare  that *delivers real results*. It is good for the skin, planet, and pocket.  Powered by *nature* and backed by *science*, Meisani's skincare is *100% vegan* and cares for the environment.  Celebrate and *empower your skin* with this unique Korean skincare line.

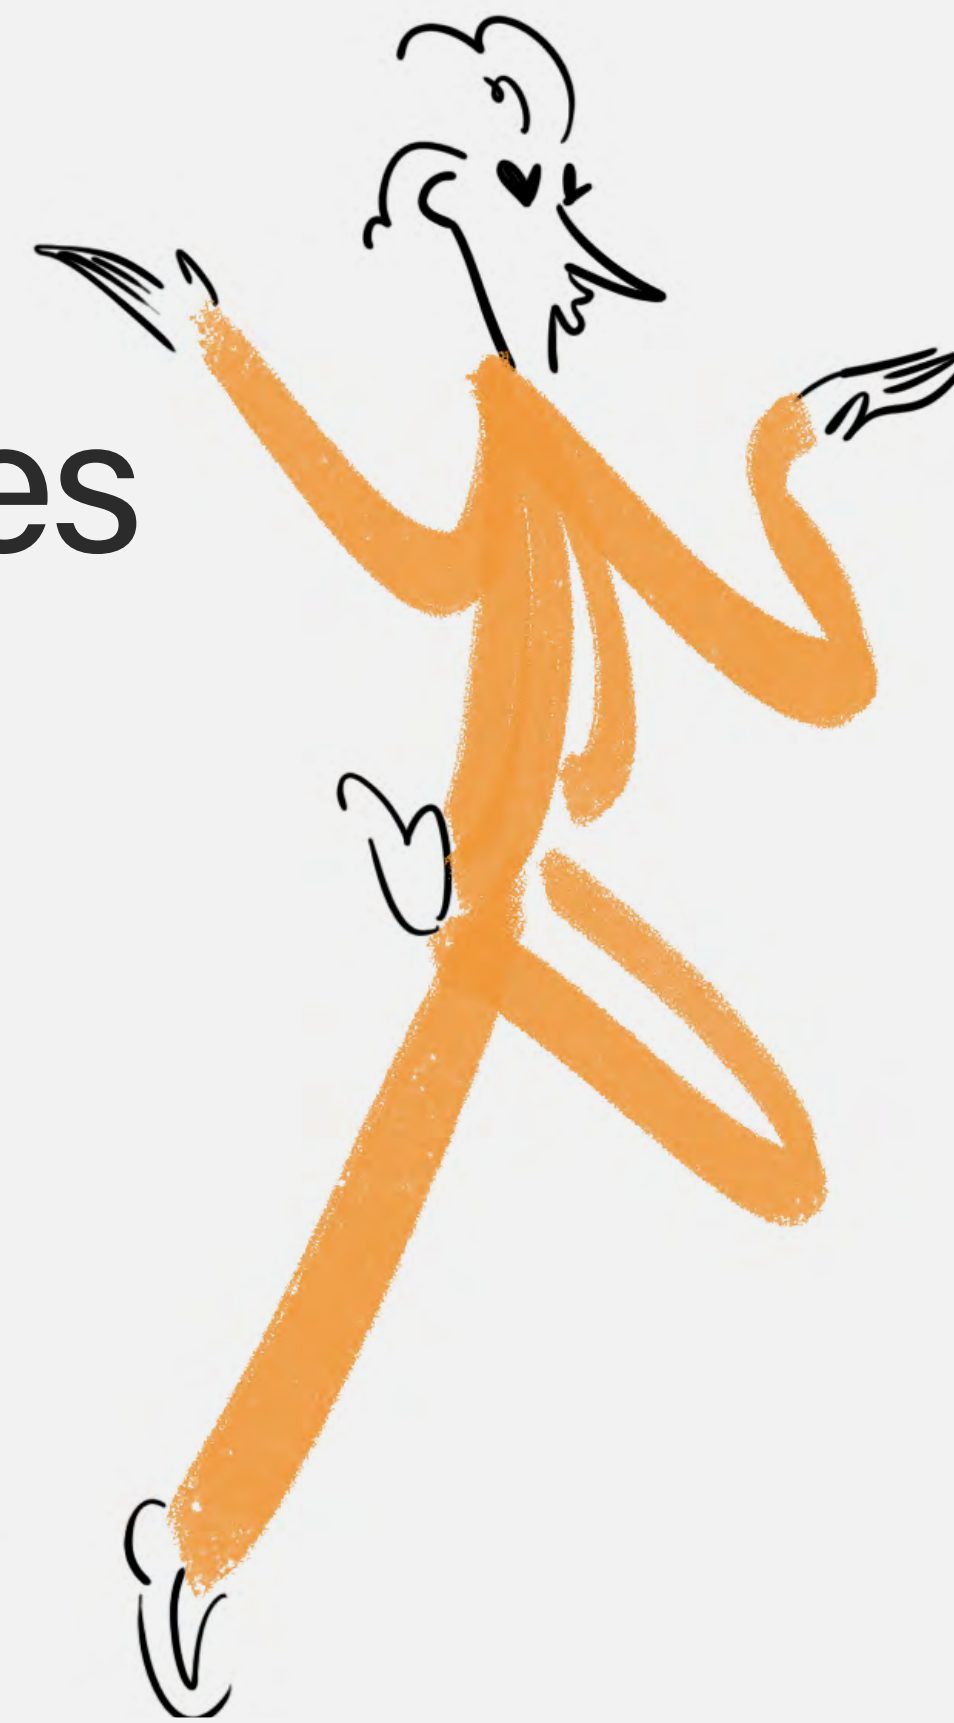

Listen to your skin

meisani

Meisani means '*Echo*' in Korean.

The name reflects core values shared by the brand and its entire community: essential, effective and beneficial products for the skin and the planet.

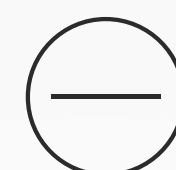

The brand's slogan "*listen to your skin*" encourages customers to listen to the subtle messages the skin sends about what it needs to function and look its best.

A FEEL-GOOD SKINCARE METHOD IS ALL ABOUT USING PRODUCTS BASED ON YOUR NEEDS, RATHER THAN CONFINING TO A RIGID SKINCARE ROUTINE.

NATURAL: Nature-inspired brand, high % of natural ingredients. We make skin-friendly, eFFicacious products that are powered by nature, backed by science and kind to the environment.

MINIMAL: Less is more & a gentle approach to skincare. We stip it down to the essentials, with nothing more than what your skin needs. Our formulations undergo a meticulous selection of ingredients that are safe for all skin types, especially sensitive.

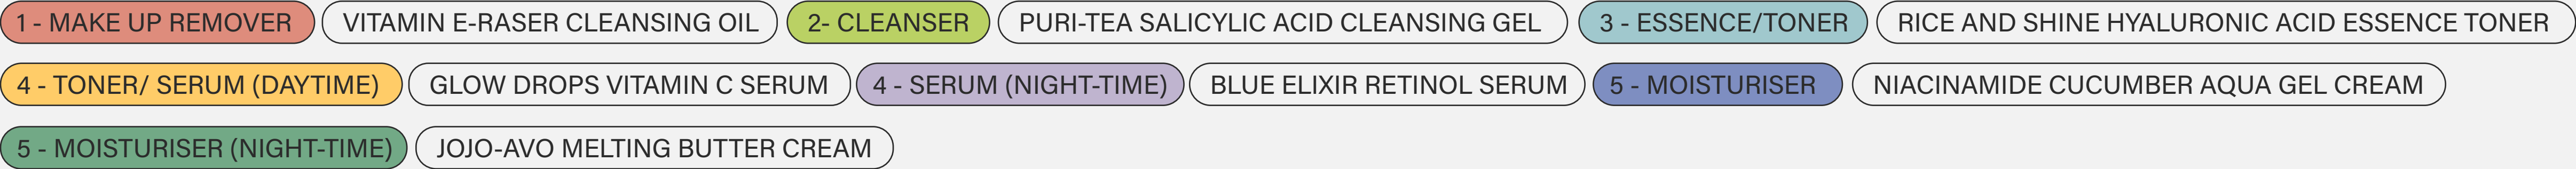

VEGAN: Plant-derived ingredients: There are plenty of amazing botanical and synthetic ingredients in Korea, so there is no need to use animal-derived ones.

ROUTINE

Vitamin E-Raser Cleansing Oil

A lightweight, oil-based cleanser that gently removes makeup, dirt, sebum and impurities that build up on the skin. A blend of botanical oils - rice bran, baobab and olive - together make up over 79% of the composition. Rice bran oil, rich in vitamins B and E, is an excellent moisturiser. Baobab seed oil, rich in vitamins B, C and Omega 3, helps to restore dry, ageing and malnourished skin. Olive oil is yet another well-regarded oil for its nutritional properties. MCT oil, a semi-synthetic oil that comes from coconut oil processing, considered to be a non-greasy, soothing emollient. Vitamin E prevents oxidation of oils in the formula and protects the skin from free radicals. Calendula extract deeply soothes the skin. Thanks to Peg-20 Glyceryl Triisostearate, the oil cleanser is easy to rinse off with water. No added fragrances, dermatologically tested on sensitive skin and suitable for the eye contour area.

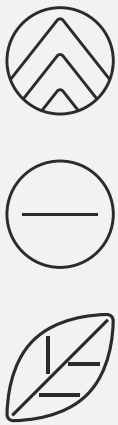

CONTENT/FORMAT (ML/GR):	150ML & 20ML
SKIN TYPE:	ALL SKIN TYPES
KEY INGREDIENTS:	>79.0% BLEND OF BOTANICAL OILS: RICE BRAN, BAOBAB AND OLIVE MCT OIL, VITAMIN E, CALENDULA EXTRACT.
HOW TO USE:	POUR OIL INTO YOUR HANDS AND MASSAGE IT ONTO DRY FACE TO REMOVE MAKEUP. EMULSIFY WITH WARM WATER AND RINSE IT OFF. FOLLOW UP WITH A WATER-BASED CLEANSER TO COMPLETE THE DOUBLE CLEANSE.
PACKAGING:	PRIMARY - RECYCLABLE PLASTIC BOTTLE. SECONDARY: FSC CARTON

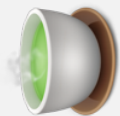

Puri-Tea Salicylic Acid Cleansing Gel

The cleanser gently and effectively removes impurities, purifying and refreshing the skin. Green tea water, rich in antioxidants, prevents damage from free radicals -pollution, stress, UV rays- thereby, preventing and minimising the signs of ageing, soothing and refreshing the skin. 0.5% of pure salicylic acid, known as BHA, has anti- bacterial properties and acts as a gentle chemical exfoliant, dissolving sebum and cleansing pores, without irritating the skin. In addition, it promotes skin cell regeneration, leaving a smoother and brighter complexion. 10% of vegetable glycerin ensures sufficient hydration, without dryness after facial cleansing. The product has tea tree aroma and a gel-like texture, which in contact with water turns into an enveloping and pleasant foam.

CONTENT/FORMAT (ML/GR):	150ML & 30ML
SKIN TYPE:	NORMAL TO OILY SKIN, ACNE-PRONE, PORE CARE
KEY INGREDIENTS:	GREEN TEA WATER 11.0%, VEGETABLE GLYCERIN 10.0%, WILLOW BARK EXTRACT, PURE BHA 0.5%, TEA TREE OIL.
HOW TO USE:	APPLY ON WET FACE, AVOIDING THE EYE AREA, AND GENTLY MASSAGE UNTIL A PLEASANT FOAM FORMS. RINSE OFF WITH PLENTY OF WATER. IF USING DAYTIME, REMEMBER TO APPLY SPF 30 OR HIGHER.
PACKAGING:	PRIMARY - RECYCLABLE PLASTIC TUBE. SECONDARY - FSC CARTON

Rice And Shine Hyaluronic Acid Essence Toner

Meisani's multifunction toner can be used in both toner and essence step. It has a viscous texture, and helps to reinforce skin's barrier function and boost hydration levels, leaving a luminous and juicy complexion. The main active ingredient is rice bran, traditionally used by geishas to achieve soft, smooth and luminous skin. It is also known to effectively remove skin impurities and provides skin-nourishing antioxidants, vitamins and minerals. Panthenol hydrates, soothes and repairs damaged skin. Hyalu- ronic acid captures moisture and lock it inside skin cells, resulting in a fresh, plump. hydrated look. Moreover, this toner contains A-B-C Complex - a powerful trio of allan- toin, beta-glucan and ceramides. Allantoin hydrates, soothes and softens the skin. Beta-glucan and ceramides repair and strengthens skin's natural barrier. No added fragrance and dermatologically tested on sensitive skin.

- CONTENT/FORMAT (ML/GR):

150ML & 20ML
- SKIN TYPE:

ALL SKIN TYPES, INCLUDING SENSITIVE.
- KEY INGREDIENTS:

RICE WATER >17.0%, PANTHENOL 1.0%, HYALURONIC ACID 0.5%, ALLANTOIN, BETA-GLUCAN AND CERAMIDES.
- HOW TO USE:

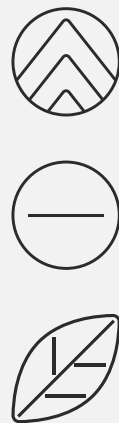

POUR TONER ON YOUR fingers AND SPREAD IT ACROSS THE FACE, GENTLY PATTING TO PROMOTE ABSORPTION. IT CAN BE USED DAILY IN THE MORNING AND EVENING.
- PACKAGING:

PRIMARY - RECYCLABLE PLASTIC BOTTLE. SECONDARY - FSC CARTON

Glow Drops Vitamin C Serum

Vitamin C serum prevents photoageing and dark spots, illuminates the skin and effectively protects against free radicals with 10% pure vitamin C, encapsulated in pearls, which allows greater stability, delayed oxidation and deep skin penetration. This miracle from Meisani contains 56% of yuzu water, an Asian citrus fruit with potent anti-ageing, hydrating and antioxidant properties. A complex of carefully selected antioxidant-rich botanicals - guava and kakadu plum, sea buckthorn and green tea extracts - protect skin from environmental damage, while liquorice evens the skin tone and brightens dark spots. 2% of hyaluronic acid locks moisture into the skin, leaving it well-hydrated and plump. In addition, Vitamin E and ferulic acid increase the effectiveness of vitamin C and prevent product's oxidation in the bottle.

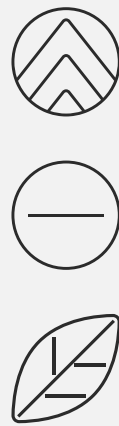

CONTENT/FORMAT (ML/GR):	15ML
SKIN TYPE:	ALL SKIN TYPES, ESPECIALLY MALNOURISHED, BLEMISHED SKIN.
KEY INGREDIENTS:	YUZU WATER 56.0%, L-ASCORBIC ACID (VITAMIN C) 10.0%, HYALURONIC ACID 2.0%, GUAVA, KAKADU PLUM, SEA BUCKTHORN AND GREEN TEA EXTRACTS, VITAMIN E AND FERULIC ACID.
HOW TO USE:	APPLY FEW DROPS ONTO CLEANSED, DRY SKIN AND GENTLY MASSAGE TO ENSURE VITAMIN C CAPSULES DISSOLVE COMPLETELY. RECOMMENDED FOR MORNING ROUTINE, WITH KIND REMINDER TO APPLY SPF 30 OR HIGHER.
PACKAGING:	PRIMARY: RECYCLABLE GLASS AMBER BOTTLE THAT PROTECTS THE FORMULA; SECONDARY: FSC CARTON

Blue Elixir Retinol Serum

This serum contains the quintessential anti-ageing ingredient - retinol. Retinol is a derivative of vitamin A which, in contact with the skin, transforms into retinoic acid, that improves skin texture and collagen synthesis, increases skin hydration and fights free radicals. It also helps to regulate sebum production, which is essential for oily and acne-prone skin. This formula also contains moisturising, soothing, and restorative Aloe Vera as well as Niacinamide and Spirulina Extract - antioxidants that brighten and hydrate the skin, and prevent blemishes. Copper tripeptide, which naturally occurs in skin and descreases with age, helps to minimises the appearance of fine lines and wrinkles.

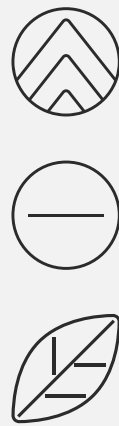

CONTENT/FORMAT (ML/GR):	15ML
SKIN TYPE:	ALL SKIN TYPES, ESPECIALLY MATURE AND BLEMISHED.
KEY INGREDIENTS:	ALOE WATER 87.0%, NIACINAMIDE 4.0%, OAT, LINSEED, EVENING PRIMROSE AND SPIRULINA EXTRACTS, RETINOL 0.1%, COPPER TRIPEPTIDE.
HOW TO USE:	APPLY FEW DROPS ONTO CLEANSED, DRY SKIN AS PART OF YOUR NIGHT-TIME ROUTINE. RECOMMENDED USE: 1-2 TIMES A WEEK, WITH MORE FREQUENT USE DEPENDING ON SKIN'S TOLERANCE TO THE PRODUCT. IF USING DAYTIME, REMEMBER TO APPLY SPF30 OR HIGHER.
PACKAGING:	PRIMARY - RECYCLABLE GLASS AMBER BOTTLE THAT PROTECTS THE FORMULA. SECONDARY - FSC CARTON

Jojo-Avo Melting Butter Cream

A facial moisturizer with an ultra-rich texture providing nourishing and soothing properties. Its formulation includes over 38% Cica Water offering soothing and barrier-strengthening benefits, 4% Avocado & Jojoba Oils with respectively moisturizing and anti-inflammatory properties to reduce redness, keeping skin calm and comfortable. The formula is further enriched with 4% brightening and softening Niacinamide, 1.5% moisture-boosting Shea Butter, 0.3% barrier-enhancing Squalane and 0.5% hydrating power house Hyaluronic acid. No added fragrance. Dermatologically tested on sensitive skin.

CONTENT/FORMAT (ML/GR): 150ML & 15ML

SKIN TYPE: ALL SKIN TYPES, SPECIFICALLY COMBINATION TO DRY SKIN.

KEY INGREDIENTS: CENTELLA ASIATICA WATER & EXTRACTS > 38.0%, AVOCADO & JOJOBA OILS 4.0%, NIACINAMIDE 4.0%, SHEA BUTTER 1.5%, SQUALANE 0.5%, HYALURONIC ACID.

HOW TO USE: AFTER THE SERUM STEP, APPLY TO THE FACE AND GENTLY MASSAGE UNTIL COMPLETELY ABSORBED.

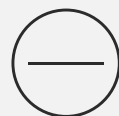

PACKAGING: PRIMARY - RECYCLABLE GLASS JAR. SECONDARY - FSC CARTON

Niacinamide Cucumber Aqua Gel Cream

The facial moisturiser has an ultra-light gel texture due to a high concentration of refreshing cucumber water and the most favourable moisturising active ingredients. It helps to retain skin moisture and maintain a healthy-looking skin. Glycerin, a humectant that pulls water from the dermis to the epidermis (the top layer of skin), increasing the level of moisturere, replenishing and restoring the skin. Niacina- mide, also known as a Vitamin B3, effectively moisturises and soothes skin, regulates sebum production and brightens dark spots. Hyaluronic Acid lock moisture into skin- cells for a fresh, plump effect. Ceramides reinforce skin's barrier and improve hydra- tion. Gardenia extract, obtained through fermentation, offers great anti-ageing bene- fits and gives a bluish pigment to the gel-cream. This moisturiser is perfect for hot climates, oily and acne-prone skin. Non-sticky, absorbs very easily and almost oil-free.

- CONTENT/FORMAT (ML/GR):

50ML & 15ML
- SKIN TYPE:

NORMAL TO OILY SKIN.
- KEY INGREDIENTS:

CUCUMBER WATER 32.0%, GLYCERIN 8.0%, NIACINAMIDE 4.0%, HYALURONIC ACID, CERAMIDES, GARDENIA EXTRACT.
- HOW TO USE:

APPLY ONTO SKIN AND GENTLY MASSAGE TO PROMOTE ABSORPTION.
- PACKAGING:

PRIMARY - RECYCLABLE GLASS JAR. SECONDARY - FSC CARTON.

Your Bes-tea BHA Spot Patches

Multi-functional patches that work effectively during different stages of the formation of a spot. These spot patches create a protective barrier helping towards the quicker disappearance of blemishes while also boasting soothing and purifying properties thanks to a cocktail of both active and natural ingredients including 0.7% Tea Tree, effective against acne due to its anti-inflammatory and anti-microbial properties, 0.5% Salicylic Acid and Volcanic Ash working to purify and unclog pores and Grape Seed Extract, helping cell turnover and collagen synthesis. The formula is further enriched with Epilobium Extract, protecting from oxidative damage, Phytosphingosine to support the skin's barrier function and Sodium Hyaluronate to restore moisture. No added fragrance. Dermatologically tested on sensitive skin.

CONTENT/FORMAT (ML/GR): X15 12MM & X30 10MM

SKIN TYPE: ALL SKIN TYPES

KEY INGREDIENTS: TEA TREE OIL 0.7%, SALICYLIC ACID 0.5%, VOLCANICH ASH, GRAPE SEED EXTRACT, PHYTOSPHINGOSINE, EPILOBIUM EXTRACT, SODIUM HYALURONATE.
