# OUR

# MISSION

Our mission is simple: to provide you with products that make a positive difference to the wellbeing of both skin and mind.

Formulated with the perfect blend of efficacious actives combined to some of the best natural ingredients in the world, all our products find inspiration in balance as a philosophy for wellbeing.

We only formulate our products with ingredients that genuinely benefit the health of your skin.

The packaging of each product clearly states the percentage of each main ingredient included in the formulation. We want you to feel confident knowing what's going on your skin.

We only use the tiniest amount of essential oils to provide subtle, pleasant aroma to enhance the senses and to mask ingredients that don't smell great on their own:

SSU-DAM EYE

NIACINAMIDE SERUM

&

GREEN TEA

수담

WHAT IS IT?

One-of-a-kind, intensive and luxurious eye contour treatment with a seruming texture that targets the area most common concerns with a 360° approach.

MAIN INGREDIENTS

Green Tea Water 60.0%  
Niacinamide 5.0%  
Hyaluronic Acid 0.5%  
Panthenol 0.5%  
Licorice Extract  
Caffeine And Vitamins A, C And E

FUNCTION, SKIN TYPE, USEFUL FOR...

Want to target global eye contour concerns without having one in particular in mind? And enjoy lighter-than-a-cream, exclusive textures? We have you covered. Highly packed with antioxidants such as Green Tea Water, Niacinamide and vitamins A, C and E, this intensive treatment helps to prevent oxydative damage that translates into visible signs of aging such as fine lines and brown spots.

HOW TO USE IT

Apply a drop to the brow bone and gently smooth evenly to the eye contour area, using the ring finger. Due to the high concentra- tion of actives such as HA or Panthenol, thick layers of producto could feel sticky. It has Retinol. Ideally to be used in the PM routine but can also be used in the AM routine, always in combination with an appropriate sunscreen layered on top.

WHAT DOES ‘SSU-DAM’ MEAN?

‘Ssu Dam’ is a word that describes touching the cheek or head with affectionate hands which means soothing and protecting the skin.

ANY CAUTIONS?

Store in a cool, dry place away from direct sunlight. Retinol is not suitable for pregnant women.

BBO-SONG  
CLEANSING

PINK  
CLAY &  
MASK

ROSE

PORE  
뽀송

WHAT IS IT?

Clay-based rinse-off mask that helps minimize the appearance of clogged blackheads and to mildly polish, refine and smooth out the surface of the skin.

MAIN INGREDIENTS

Rose Water 32.0%  
Pink Calamine  
Jeju Island Volcanic Ash  
Pha & Bha 1.1%  
Hyaluronic Acid 0.1%  
Grapefruit Extract

FUNCTION, SKIN TYPE, USEFUL FOR...

Purifying and illuminating, helps to deeply cleanse the skin and to improve the appearance of blackheads and preventing the generation of blemishes; and to boost the skin’s renewal cycle, accelerating the disappearance of imperfections such as dark spots and revealing a more uniform complexion. It mildly exfoliates the skin with acid molecules and no scrubbing particles, hence not producing any microtears in the epidermis that physical exfoliators could cause. Suitable for oily to normal skin types, including blemish-prone.  
Dry skin can use it; however, it might be too drying.  
Sensitive skin: Better to avoid.

HOW TO USE IT

Mix well the formula with the spatula. Use once a week, applying a thin layer to the face, neck, décolleté and even your back if needed. Leave on for 5-10 minutes. Use a mist if necessary to avoid the producto completely drying on the skin. Rinse with lukewarm water. During the day, use sunscreen on the area.

WHAT DOES ‘BBO-SONG’ MEAN?

‘BBO - SONG’ is a word that refers to a condition in which the complexion becomes brighter after cleansing and is not dry or greasy. It can also include features of the product being soft and mild.

WHAT IS IT?

Jelly textured leave-on mask that helps reinforce the skin's structure integrity and prevent signs of ageing while leaving a plumped, juicy effect overnight.

FUNCTION, SKIN TYPE,  
USEFUL FOR...

With a jelly texture that transforms into liquid when massaged into the skin (signature Jelly-To-Juice texture!), it provides the skin with molecules that mimic the oils naturally occurring in the skin (nature-identical) to reinforce its barrier function. Also formulated with a natural active: Bakuchiol, the so-called 'vegan & non-irritating retinol' that is suitable for sensitive skin and pregnant women and has shown promising results in the anti-aging department to prevent and correct the signs of the passing of time. It is also loaded with an extraordinarily high concentration of Hyaluronic Acid (5x the standard concentration) for a hydrated and plumped effect and tops up with antioxidants (vitamins E and C) to prevent oxidative damage. Suitable for all skin types. Sensitive skin: Try in the wrist first.

**HOW TO USE IT** Apply a thin layer to your skin after your serum or moisturizer, wait for a few minutes until a uniform film has formed and leave on overnight. It can also be used during the day leaving it on for 15-20 minutes.

WHAT DOES  
'JJON-JJON' MEAN?

'JJON-JJON' is a word that portrays the condition in which the skin has increased elasticity and is intended to express the feeling of increasing the density and tightening of the skin tissue.
