

Team In Latam

**Your PEO services
in Argentina**

ABOUT US

We are part of Capacitis, a European group with extensive knowledge in corporate development. Our objective is to offer solutions based on our experience from the interaction in the business world.

WHAT WE DO

We provide **PEO services** (employee hiring and management) in Argentina.

OUR MISSION

Through **PEO services**, we help international companies to establish a local team in Argentina without the need to set up a branch.

WHY US?

We have almost 10 years of experience and, the legal, fiscal and accounting knowledge needed in order to provide **PEO services in Argentina.**

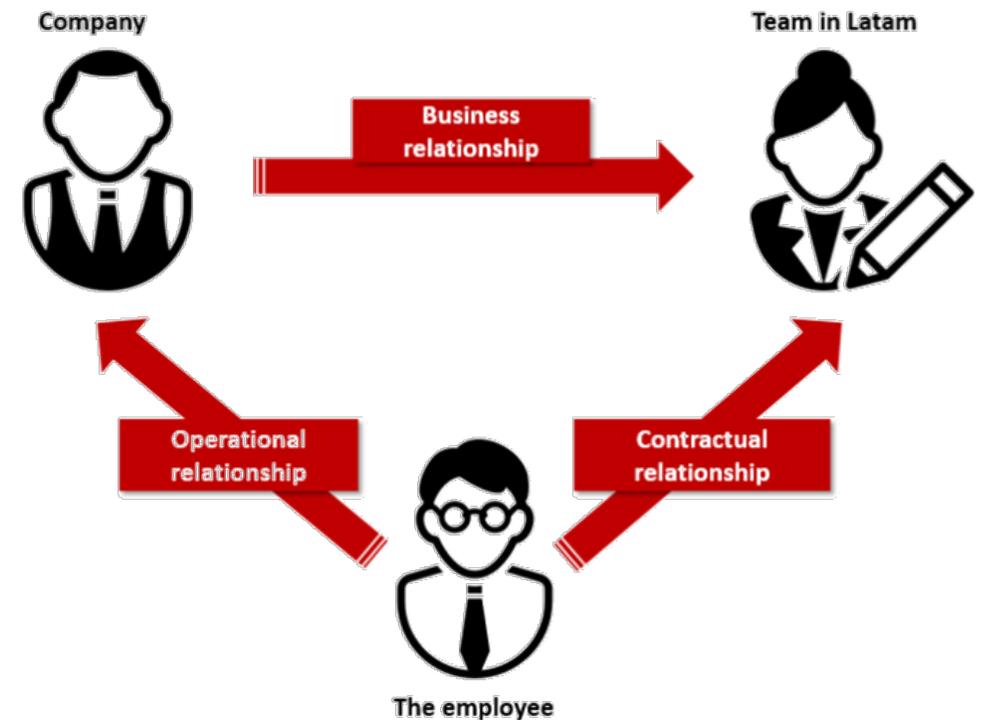

OUR SERVICES

HR Management & EOR

- Recruitment and payroll processes.
- Control of sick leaves, absences and annual leaves.
- Processing of expense reports.
- Hiring of health insurance, travel insurance, etc.

Administrative Management

- Direct support for employees.
- Filing of all documentation.
- Management of compliance with the law.
- Monthly invoice issuance to the client company with the cost of the outsourcing service.

WHY US?

We have almost **10 years of experience offering PEO services** in Argentina, providing guidance to international corporations interested in starting operations in a new country, and taking care of everything related to **employee recruitment and management in Argentina.**

KNOW-HOW

Our extensive legal knowledge about the countries in which we operate allows us to manage your needs with total success.

PRESENCE

Our presence in the continent allows for quick service management.

FLEXIBILITY

We are the best option if you wish to try market viability in a medium-to-long term.

VERSATILITY

We are agile, we make complicated tasks look easy. We are the easiest and most efficient way for you to have employees working for you in Argentina.

EXPERIENCE

We have almost 10 years of experience in HR, administrative and accounting management in Argentina.

PARTNERS

- Team in Latam has a program to collaborate with different international partners.
- It aims at enabling them to provide high-quality PEO services in Argentina using our capacity and experience.
- This program can be tailored to meet the specific needs of each of our partners.
- Let us know how you would like to work with us and we will find the right way to collaborate with you.
