ABOUT THE COMPANY

Founded 2017

First certified exporters of processed meats and dehydrated seafood in Ecuador GMP and HACCP certified from 2019

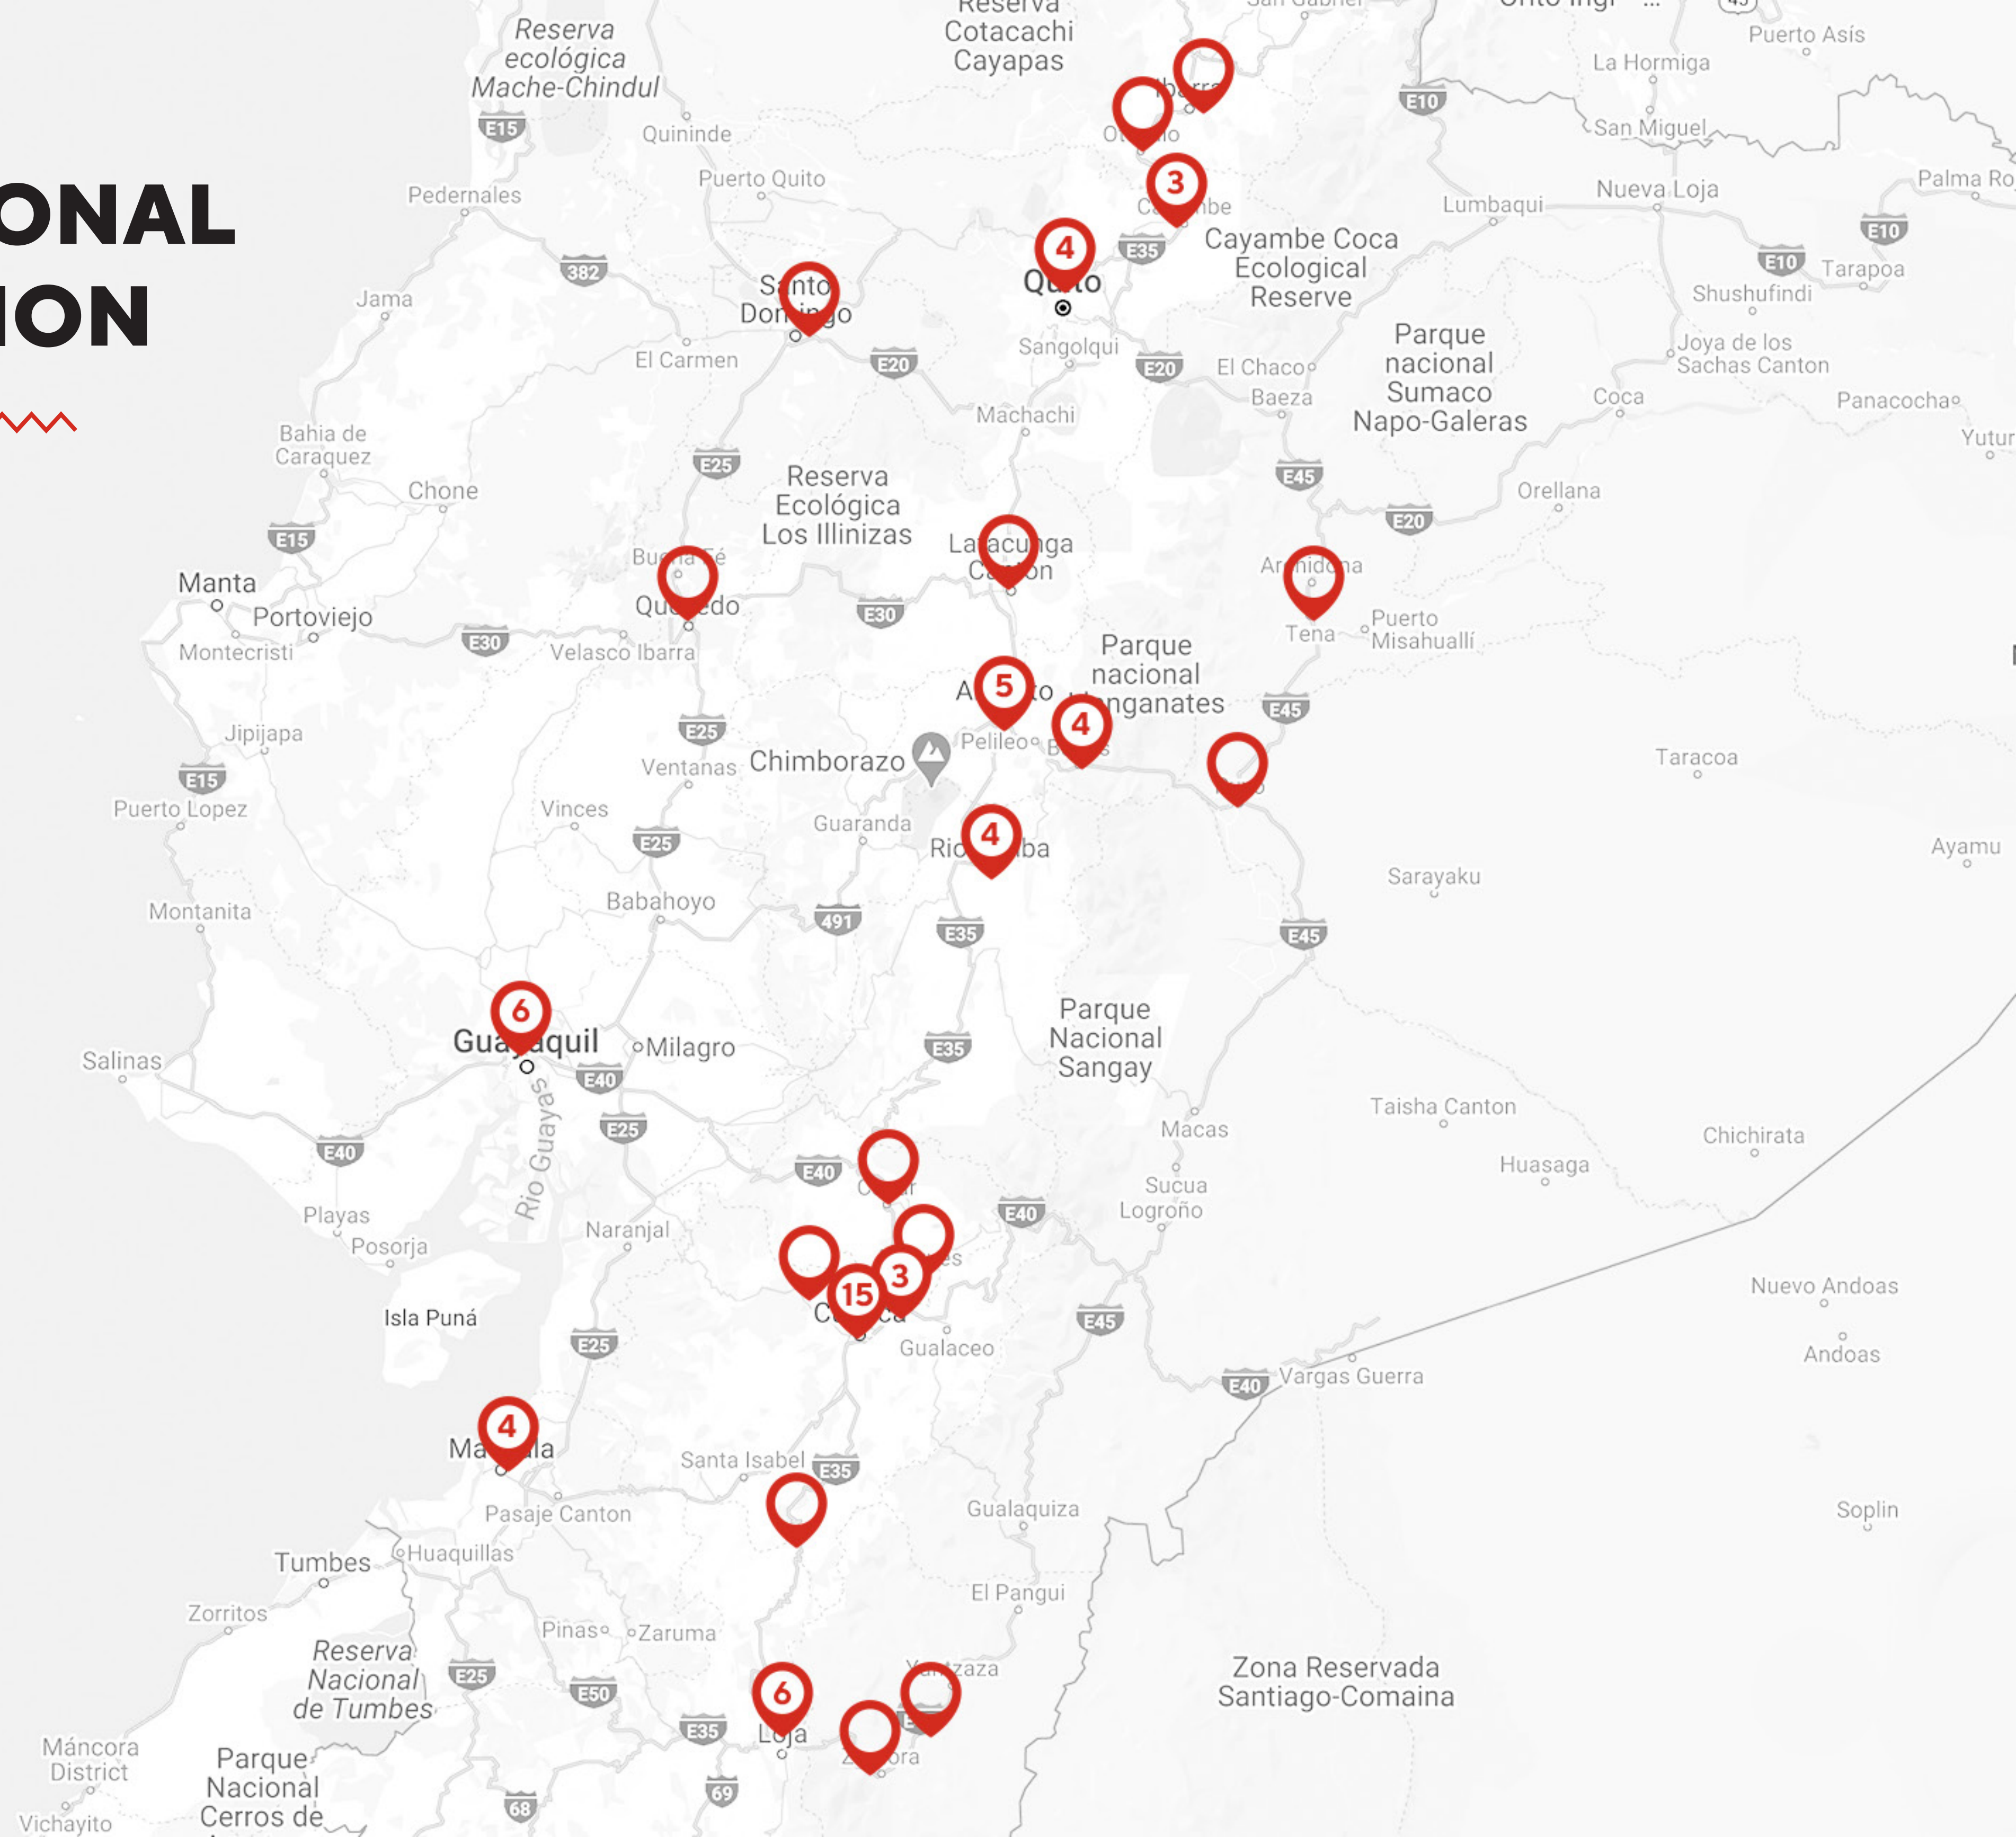

70+ points of sales in Ecuador

including airports, Marriott group hotels, principal supermarket chains and deli markets

Countries of commercial interes: USA, China, Japan, Chile, Canada, South Korea, Mexico, Hong Kong, Singapore, Panamá, Colombia, Perú

OWN REGIONAL DISTRIBUTION

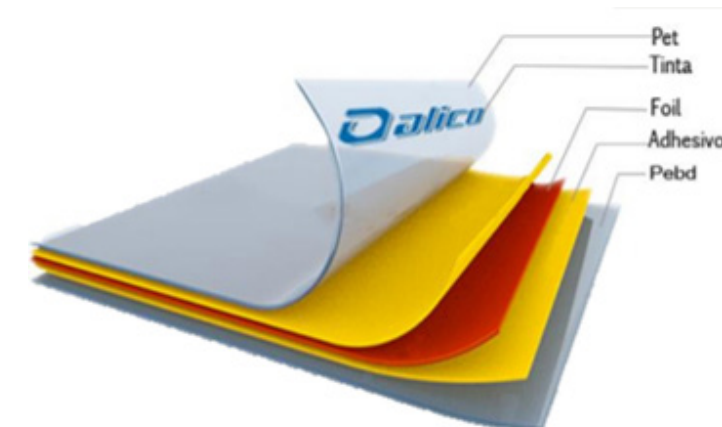

We use advanced packaging technologies that overcome extreme conditions. It does not allow contact of humidity, light and oxygen with the product throughout all the 2 years of expiration date

Packaging technical specifications:

WVTR (Water vapor transmission) $<1 \text{ g}/(\text{m}^2 \cdot 24\text{hr} \cdot \text{atm})$

OTR (Oxygen transmission) $<1 \text{ cc}/(\text{m}^2 \cdot 24\text{hr} \cdot \text{atm})$

FLEXIBLE PRESENTATION FOR DIFFERENT POINTS OF SALES

BRAND-NAME POSTER

The poster contains identity mascots (company characters) showing the corporate products. In the bottom part of the corporate element, there is the logo in full and contact information.

MINI RACK

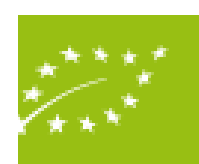

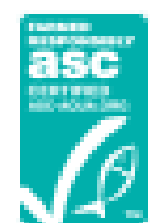

RACK

The most delicious, the most rare and exclusive ecuadorian shrimp that money can get. Raised by the most experienced and professional farmers and dried by our specialists. This is the true organic shrimp flavor that you can enjoy anytime and anywhere.

We offer you a unique and high class shrimp ready-to-eat products with 40-50% of protein content, low in calories, with high load of vitamins (up to 55% of DRV of B12 in 30g bag) and microelements, no sulfites, no antibiotics, ASC or ASC/BIO with following certification:

GLOBALG.A.P

Slices of naturally cured pork loin with just the right saltiness. 35% of your daily needs in complete proteins in just 30 grams will let you feel packed with energy without unwanted weight gain. Excellent by it's own and ready to be added to salads, soups or be accompanied with a drink of your choice. Extremely delicious and mouth melting!

We offer you the product that is 60% of quality protein content, low in calories, with high load of vitamins and microelements (up to 55% of DRV of B12, 30% of iron, 40% of magnesium and 80% of zinc in 30g bag), antibiotics free and GMO free.

Exquisite slices of the best quality brangus beef sirloin. Naturally cured with delicate mix of cilantro seeds and black pepper. The universal food to take with you anywhere or enjoy with a glass of good red wine or beer. This rich, delicious and natural flavor will make you addicted to it!

We offer you the product that is 50% of quality protein content, low in calories, with high load of vitamins and microelements (up to 55% of DRV of B12, 30% of iron and 80% of zinc in 30g bag), antibiotics free and GMO free.

We are the first in South America to use SKALA by Meter Group for digital food manufacturing and products quality control in real time throughout the manufacturing process
