Maya Fashion is a family business of Guatemalan origin, founded in October 2012

We elaborate our designs and work together in the confection with small companies or associations of craftsmen

Both the raw material and labor is 100% Guatemalan

Typical 100% cotton fabric

Diversity of colors

VISION

Be a brand recognized for the quality of our products and support artisans in rural areas of Guatemala, with a presence in major international markets.

MISSION

Being the largest distributor and exporter of handmade clothing with modern designs in Guatemala, offering top quality garments made with raw materials and national labor, generating job opportunities for the country.
