VARIETY Oils

Avocado Oil from Tanzania

Our avocado oil, extracted from ripe avocados in Tanzania, offers a smooth, creamy texture that is perfect for high-heat cooking and grilling. With a high smoke point and nutrient-rich profile, it contains healthy monounsaturated fats and vitamins A, D, & E.

Sesame Oil from Tanzania

Our sesame oil is extracted from the finest sesame seeds in Tanzania, offering a rich, nutty flavor that enhances any dish. Rich in antioxidants and essential fatty acids, it provides numerous health benefits.

Olive Oil from Tunisia, Spain & Greece

Experience the superior quality of our olive oil, sourced from the best olive groves in the Mediterranean regions of Tunisia, Spain, and Greece. High in monounsaturated fats and antioxidants.

Sunflower Oil from Ukraine

Known for its light flavour and high smoke point, our sunflower oil from Ukraine is a cooking essential. It's perfect for frying, baking, and salad dressings, offering versatility and a mild taste. Rich in vitamin E and low in saturated fats, this oil supports a healthy diet.
