

Wahwa
Fruits

Wawas fruits S.A.S was born with the merge of “Inversiones Kokoro S.A”. A company with more than 12 years of experience in the fruit and vegetable market.

The commercial activity has focused on the wholesale and distribution of fruits and vegetables nationally and internationally. Wawas Fruits S.A.S trades crops with the highest quality from countries such as Chile, Peru, Ecuador and Brazil, among others, and also exports to Europe, Caribbean Islands such as San Marteen, Guadeloupe and Aruba. Our headquarters are located in Bogota with a branch in Medellin, Colombia

Who are We?

Our efforts pursue the highest quality standards. In our portfolio you can find clients such as Sodexo and Grupo Exito, as we handle all their produces supply in the Antioquia region

Our target is to provide high quality fruits and vegetables for the national and international market

The Harvest schedules are coordinated between the farmer and the market demand

Supplier Selection

Our direct contact with farmers guarantees freshness and quality in our products

Planning – Control

Quality Control

Quality controls such as: color, taste, texture, appearance, composition, microbiological conditions and humidity.

Food and Sanitary permits

We guarantee the food sanitary and legal permits of all products handled

Logistics / Distribution

We design our processes to optimize the logistics and to fulfil the delivery time with the clients
