DNA RED-LETTER EXPORT

Our DNA is everything that makes us who we are: **UNIQUE!** It is also what we value, encourage and respect in everything we do. We understand that being different is what makes us special.

And **we work to encourage** the world where diversity and plurality of ideas is Always come be the best option.

This also enriches our experience as better human beings. Always encouraging the creation of better worlds for each one of us. Making our daily lives at **Red-Letter Export** a daily exercise of what we can be and do better than yesterday and today. More than business, we seek constructive and lasting relationships with our customers and partners around the world.

And what is **RED-LETTER EXPORT**?

We are a Brazilian company, headquartered and founded in the city Cubatão, São Paulo - Brazil, which commercially exports selected products from different segments and which are acquired from suppliers that are reference in what they do, and that have total alignment with the world values we seek build and leave a legacy for future generations. We have as pillars in our relations, aspects such as: food security, good production practices and the environment, as indispensable criteria in our relations with our suppliers.

It is not enough to just have good products! We are committed, in everything we do, to ensuring that we have the best products and that we do global business with commercial and environmental responsibility.

Our way...

MISSION

It is to export products with the highest standards of quality, safety and **reliability** in its segments, in all our transactions.

VISION

To be present on all continents, meeting the foreign trade demand of the most varied market segments. **Always** keeping in mind the principles of delivering more than goods and products, sharing who we are!

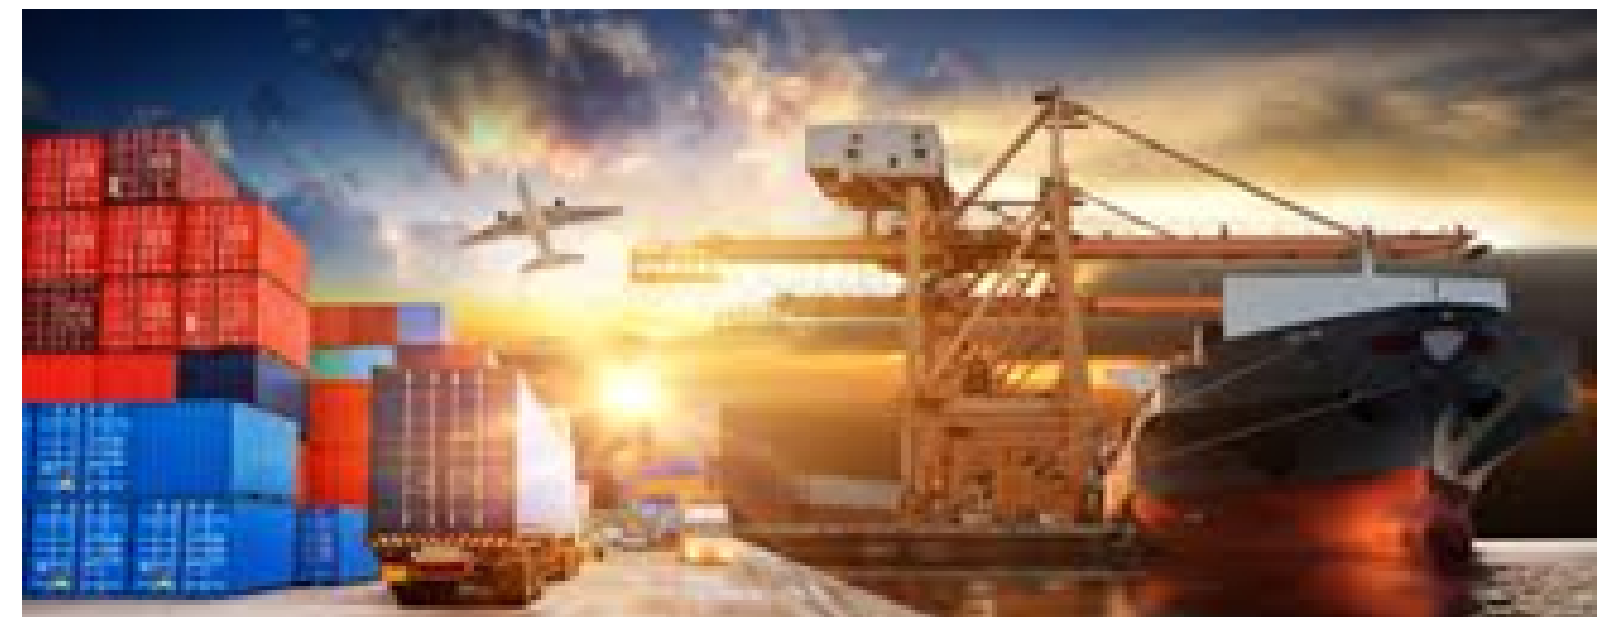

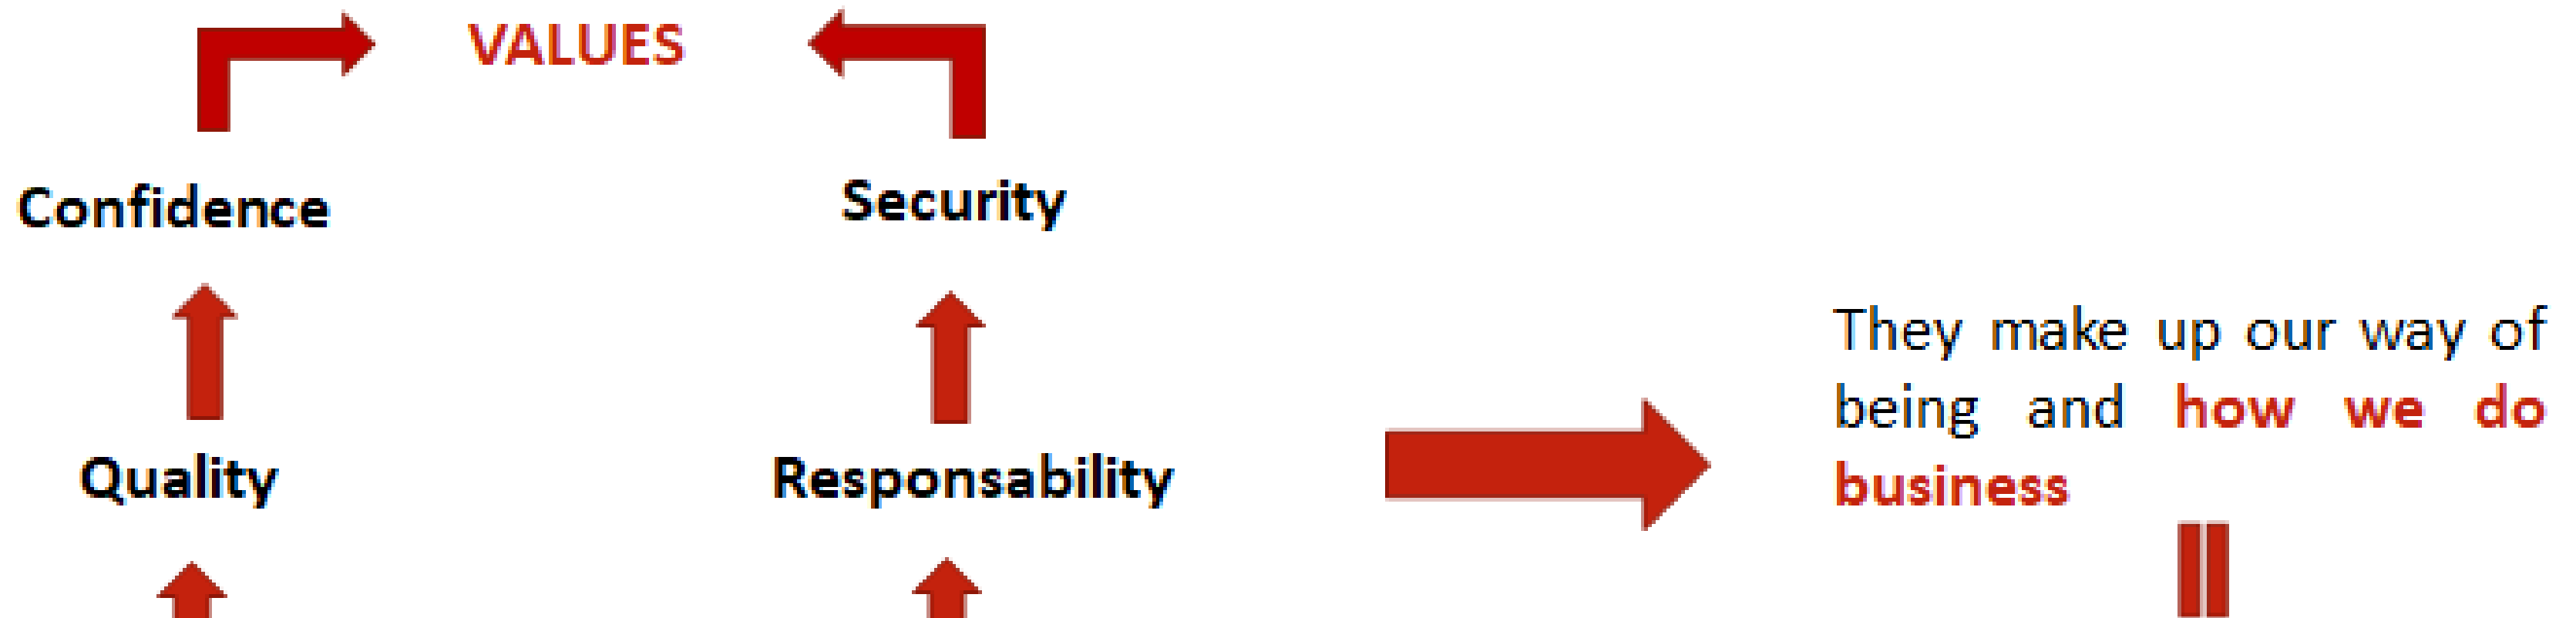

Our challenger...

OBJECTIVE

Our main objective is to break barriers. Selling the most varied products in different locations around the globe. At **Red-Letter Export**, more than a reference in commercial transactions, we aim for long-term business relationships with our partners. We at **Red-Letter Export** understand that the best way to be successful is to work together.

Our **S**trenght...

And finally ... **US!**

You have seen a little bit of who we are, what we do and why we do it. Our values where we understand that the fundamental basis, the cornerstone of our operations, is our determination to do more than business, to make our personal and daily commitment, that all other aspects that make up **Red-Letter Export** are always according to a better and smarter world that we build with each new business. This is the **Red-Letter Export** commitment to relate to its partners, and that we bring in our slogan, and that means that the best time is always now ... **For everything!**

We understand that there is a world full of great challenges, and we have already overcome many and we are in the process of overcoming countless others, and we believe that by doing this together we can do more and even better. We export more than products, we export: Quality, flavors, new experiences, new memories. **We export our culture to each order!**

We invite you to also share the best we can do: - Let's do business together! We can do much more ...
