About us I have been in the hospitality and Food & Beverage industry for the past 24 years. Having a long experience in the management of restaurants to multi-unit operations, working with groups of Franchises and giving training and support to the operations and profitability of the restaurants and Hotels.

Offering management training to multiple-unit operations, operation courses, training in the field of customer service.

Giving food safety courses and certifying students as an instructor and proctor for ServSafe International.

Since 2014 after having lived in Aruba for 23 years we got involved in the E-learning industry and we specialize in the service of personalized English & Spanish language online teaching,

We speak English, Spanish, and Papiamentu (a blend of Spanish, Portuguese, Dutch, French, and a touch of English too) My name is Jairo Galán founder and one of the teachers of Learn English Fun.

How to serve a customer in the Food & Beverage industry

Food safety

Our company has extensive experience in the Horeca sector, the fast food industry, and the food safety sector, among others, focused on the necessary technical Spanish.

We have prepared students to open a business meeting, present a job interview, or make a presentation on any topic in their field of work.
