

# Let's sell the Fish

# About us

A company located in the state of *Mato Grosso*, having one of the main economic wealth in pisciculture in the country, besides, *Mato Grosso* is a state famous for its freshwater fish, this way, it deserves a large company specialized in the creation, processing and commercialization of fish. With this motto "*Casa do Peixe*" conquers its space, and offers an incomparable flavor of "Tambaqui", treated so that they have the truest taste of *Mato Grosso* rivers. "*Casa do Peixe*" also industrializes this species of fish into 14 varieties of cuts.

There are more than 500 hectares of water slides in four cities, *Santo Antônio do Leverger, Rosario Oeste, Nossa Senhora do Livramento and Nova Olimpia*, which has the capacity to process tons of fish every day, supplying the entire country as well as large exports.

# Pisciculture

There are more than 500 hectares of water in three cities - Santo Antônio do Leverger, Nossa Senhora do Livramento and Várzea Grande - able to meet all demand for selected cuts of fish, which provides the capacity to process tons of fish all days.

# Refrigeration industry

With the capacity to process tons of fish per day, we supply the main supermarkets, restaurants and fishmongers in several states.

We care for a safe and healthy hygienic processing system, adapted to strict standards of demand.
