GRAMA  
IDEAS FRESCAS

Welcome to Grama, Colombia's leading provider of design bed linens for homes and hotels.

Grama is company founded in 1997 by Colombian designers. Our success is based on our commitment to always search of materials, textures and, forms that give character to our collections; all of our products are developed under the concept of innovation and quality, which is reflected in the use of Colombian high quality fabrics, exotic materials, and attention to details in the making and use of handicrafts and assembly techniques.

MATERIALS:

Most of our products are in 100% cotton, in fabrics like twill and taffeta constructions. We also offer natural and ecological fabrics like jute fiber.

Grama uses for its collections accessories like velvet ribbon, ribbon faya, tagua buttons, pearl buttons, and others.
