

co.cook

A Gourmet Heritage Lookbook

The intersection of natural wellness and
authentic Brazilian culinary tradition.

Sweets that tell the history of Brazil.

co.cook elevates everyday ingredients into gastronomic experiences. We reject mass production in favor of 100% natural, meticulously crafted recipes.

Gold in a compote: the wealth of our fruits, the tradition of our people.

Artisanal

100% Natural

Heritage

A Curated Portfolio of Culinary Traditions

The Wellness Ritual

Showcasing the Golden Latte lines. Blending natural spices for daily nourishment.

The Heritage Sweets

Showcasing artisanal compotes and condensed milks. Reinterpreting traditional Brazilian desserts.

The Artisanal Pantry

Showcasing our Halva, Nutrichia, and bulk spice selections. The foundation of gourmet flavor.

Anatomy of the Golden Latte

15 portions of 100% natural preparation mix (150g)

Turmeric/Ginger Base

Powerful anti-inflammatory properties and immune support.

Chili

A subtle kick to activate metabolism and enhance flavor absorption.

Star Anise & Cinnamon

Warming spices that aid digestion and provide natural, earthy sweetness.

Almonds/Nuts

Plant-based richness for a smooth, comforting texture.

The Heritage Sweets: Fruits in Syrup

A 100% natural, premium reinterpretation of a quintessential Brazilian tradition. Crafted to preserve the integrity, texture, and vibrant flavor of local harvests.

👑 **Bahia Orange** in Syrup (600ml)

👑 **Umbu** in Syrup (600ml)

The Perfect Pairing: Elevating Hospitality

The Crown

Artisanal Orange Syrup providing vibrant, sweet-tart contrast.

The Base

Soft, creamy cheeses like Brie or Camembert.

The Method

Layering transforms a simple appetizer into a premium centerpiece for boutique delis, wine bars, and luxury catering.

“The taste of Brazilian tradition reinterpreted in a premium compote.”

Artisanal Saffron Condensed Milk

A masterpiece of culinary fusion. We pair the comforting richness of traditional cow's milk reduction with the exotic warmth of carefully selected spices.
