

ETHIC'S PRODUCTS, IMPOSSIBLE TO RESIST.

ethic WE TAKE CARE
OF YOU.

With more than 15 years of experience, Ethic Alimentos is leader in the production of creme de açaí, granola and nut mixes in the Paraiban market. We are currently present in several states such as PARAIBA, PERNAMBUCO, RIO GRANDE DO NORTE, CEARA, ALAGOAS and will keep acquiring market. We have two manufacturing units and two subsidiaries strategically positioned to serve our customers better, during the last years. Ethic Alimentos has been planning the modernization of its processes in order to project itself in the national scenario. The company has products that stand out from the competition, being a reference in the production of food because of our high quality standards and rigorous processes, we establish a bond of trust and respect that wins the preference of thousands of consumers.
