Product Catalogue

A collection of research materials on ingredients used by Twigs Naturals Limited.

This document is not to be used as medical advice. Reference Material for retailers in Trinidad & Tobago

Who we are

With eco-consciousness ingrained in the company's DNA, Twigs Naturals' commitment to sustainably producing high quality teas and seasonings doesn't just end with working with farmers that utilize natural and sustainable farming methods.

Caribbean grown products are packaged in re-sealable and reusable packaging made from recyclable material. Production takes place in our versatile plant specialized in organic processing to efficiently work within the green economy.

The main production ethos utilizes quality subsystems; Good Manufacturing Practices and employ US FDA Certified Food Safety Personnel.

Our Success Stories

Twigs Naturals is the first Caribbean tea brand to be recognized internationally by winning not just one, but two awards at the 2017 Global Tea Championship, an annual independent competition, judged by tea professionals, to distinguish the highest quality & best tasting teas commercially available globally.

Within the same year Twigs Naturals achieved the 2017 Champions of Business Start Up Entrepreneur of the Year Award.

What we do

Twigs Naturals makes nature convenient with their ready to drink tea bags and seasonings sold in resalable packaging made from recyclable material.

Their line of non green or black tea flavoured teas include Mint, Lemongrass, Garlic, Ginger, Orange Peel, Citrine (artisanal blend of Lemongrass & Orange Peel), Bamboo, Green, Moringa, Caribbean Christmas Tea (a delectable blend of Wild Hibiscus and Anise Seeds)
