Build an international import quote around your channel

Hacienda Flandes offers an export-ready commercial base with defined SKUs and EXW pricing. Delivery to the United States, Canada or the United Kingdom is quoted according to destination, volume, product mix, Incoterm and required import documentation.

Export capabilities

- Supplier based in Colombia with defined SKU references, EAN codes and EXW pricing.
- Product portfolio suited to specialty retail, gifting, gourmet, foodservice and hospitality.
- **Coffee export capacity: 1 FCL per month.**
- USA, Canada or UK route, Incoterm, customs broker, duties/taxes and final landed cost: [Confirm per order](#)
- Market-specific label review and retailer compliance pack: [Confirm per SKU](#)

Container load options & lead times

- Source-listed shipping example: FedEx DAP USA, 1 box / 25kg, USD 270.
- Source-listed shipping example: air cargo CPT USA, 12 boxes / 300kg, USD 1,770.
- Macadamia product container or consolidated-load plan: [Confirm per order](#)
- Production and dispatch lead time by SKU/volume: [Confirm per order](#)

Recommended quotation request: destination city/postcode, country, preferred Incoterm, SKU mix, required cases or units, target delivery window, pallet/container preference, and any retailer or importer documentation checklist.

Minimum order quantities (MOQs)

MOQs are shown at SKU level in the price list. Examples include 6 bags for most 100g snack packs, 12 units for 32g Honeybee and 32ml oil, 20 bags for 250g coffee, and 2 bags for 2.5kg coffee. Mixed-SKU and container-level MOQs should be confirmed with the supplier.

Confidence to move from sample to order

Source-listed certifications

- **GMP** — listed as certified by SGS.
- **Green Business Seal** — listed as issued by the Ministry of Environment.
- Current certificate copies and scope: request during buyer onboarding.

Compliance documentation

- Technical sheets, ingredient/allergen statements, shelf-life data and packaging specifications: confirm per SKU.
- USA, Canada or UK labelling and import compliance: confirm against the importer's checklist before shipment.
- Any current third-party test reports or certificates not shown in the source: request from supplier.

Available export documents: Packing List · Commercial Invoice · Bill of Lading (B/L) · Health Certificate · Certificate of Origin · Microbiology Laboratory Test (optional)

LET'S DISCUSS YOUR RANGE

Request samples, an international quote or a mixed-SKU proposal

Share your target channel, destination postcode, expected volume and preferred delivery term. Hacienda Flandes can then confirm availability, documentation and the most efficient shipping configuration.
