WAKES UP THE TASTE OF LIFE

# ASEPTIC FRUIT JUICE

Fruit Juice (Puree) is the liquid product obtained by mechanical extraction of fresh fruits.

Fruit juices Frutone have color, scent, texture and flavor typical of the fresh fruit from which they are extracted.

Frutone Fruit Juice is an innovative solution that reduces time and movement and reduces operating cost.

Frutone is liquid fruit ready to be used in the preparation of beverages (such as juices, cocktails, sodas, fruit beers, sorbets, granized and dairy.) Desserts, dressings, compotes, jams and much more.

Our product is aimed at institutional customers and the HORECA sector.

WE FEED THE **COLOR** OF LIFE!
