CRISPY BITES

GLUTEN-FREE

A new way of snacking, these bites are a nutritious and delicious option to eat at work, school, with friends, to accompany other foods... and more.

A mixture of cereals and seeds with new flavors for the daring.

BITES FLAVORED WITH JALAPEÑO AND MATCHA

Jalapeño-flavored bites infused with matcha, which helps reduce cardiovascular issues while offering antioxidants and vitamin C.

4 CHEESE-FLAVORED BITES WITH AGAVE INULIN.

4 cheese-flavored bites containing agave inulin, a soluble fiber acting as a prebiotic in the digestive system.

BITES FLAVORED WITH CHEDDAR AND TURMERIC

Cheddar-flavored turmeric bites, known for their anti-inflammatory properties, can help lower cholesterol levels and provide essential vitamins and minerals.
