## Change Fees and Fare Differences

Frontier’s flight change costs typically include:

- ◆ **Fare difference** — if the new flight costs more
- ◆ **Change fee** — may apply depending on your fare class
- ◆ **No fee** — sometimes for certain fare bundles or promotions

Basic or ultra-low fares generally have more restrictions and higher fees. However, Frontier’s bundled fare options may include reduced change fees or even no change fee if purchased with flexibility included.

If you want exact pricing before you complete a change, call [[📞 +1-877-622-0707]] to confirm.

---

## Same-Day Changes

Frontier may allow **same-day changes**, depending on availability and fare rules. Same-day changes:

- ✓ May cost only the fare difference
- ✓ May require availability on your preferred flight
- ✓ Could involve a same-day change fee

If time is tight or you’re already at the airport, call [[📞 +1-877-622-0707]] to check same-day availability and pricing.

# Changing a One-Way vs. Round-Trip Ticket

## One-Way Changes

- Changes apply only to the segment you booked
- Fees and fare differences still apply

## Round-Trip Changes

- Changes to one segment may affect the price of the entire ticket
- Always review both legs before confirming changes

Frontier's pricing system sometimes fares the outbound and return together, so even a change to one leg could affect the total cost. For help analyzing how a change affects your itinerary, call [[📞 +1-877-622-0707]].

## What If You Missed Your Flight?

If you miss your original flight and did *not* notify Frontier before departure, you may be marked as a **no-show**, which could cancel your entire itinerary — including return segments.

If you think you may miss your flight, contact Frontier before departure time to preserve options. For strategies on avoiding no-show penalties and rebooking, call [[📞 +1-877-622-0707]].

## Change Options at the Airport

If you're already at the airport, you can also ask an agent for help at:

-  The Frontier check-in counter
-  A Frontier service desk
-  Over the phone while you wait to board

Airport agents may be able to help with same-day changes or offer alternatives if your original flight is delayed or canceled. Call [[📞 +1-877-622-0707]] for real-time options before you arrive.
