Who Can Make Name Changes?

Frontier Airlines allows **passengers to correct minor errors** in their booking. This typically includes:

- Misspellings in first or last names.
- Accidental middle name issues.
- Minor punctuation errors.

Important: Complete name changes or transferring tickets to another person are generally **not allowed**. Attempting a full name swap may require canceling the ticket and purchasing a new one. 📞 +1>877>622>0707 ☎️ 📞 +1▶877▶622▶0707】

Fees for Name Corrections

Frontier Airlines usually imposes a **name correction fee**. The cost depends on:

- The type of ticket purchased (basic, standard, or bundled fares).
- The timing of the correction (closer to the flight date may incur higher fees).
- Whether the correction is minor (spelling fix) or more substantial.
